

# Brain Time!

For babies  
6-24 months  
and  
their caregiver.

Lake County Public Library

719-486-0569

This class is based on the research of Dr. Jill Stamm, Ph.D. and her work with the New Directions Institute for Infant Brain Development. We will work on the ABC's of early learning using Brain Boxes that Dr. Stamm and her team developed. We will learn through play, songs and rhymes to help those little brains grow.
